

Curriculum Vitae

Dr. John G. Florendo

Physician of Chiropractic -12/1985

Date of Birth: 12/09/1960

Place of Birth: New York, New York, USA

Citizenship: United States

Education:

Monmouth University –Bachelor of Science/Zoology Studies- 6/1981

Sherman College- Chiropractic Science Studies- 9/1981-7/1982

Southern Methodist University- Physical Therapy Sciences- 8/1982

Greenville Technical College- Radiology Science and Physics- 8/1982

Life University- Doctorate of Chiropractic Degree- 12/1985

San Diego Research Institute- Masters Program- 11/ 2000

Carrick Institute for Graduate Studies- Masters- PhD Program- 8/ 2013-Present

Accreditation Council of Continuing Medical Education (ACCME) in joint sponsorship with the State University of Buffalo, School of Medicine and biomedical Sciences for category 1 AMA PRA credits Post Doctoral Continuing Education-2015-Present

University of Bridgeport, Division of Health Sciences Post Graduate Education Department Certified Chiropractic Post- Doctoral Continuing Education-2014-Present

Texas Chiropractic College Post Doctoral Division of Clinical Sciences Cont. Ed. -2015-Present

Private Practice:

Director/Owner: Florendo Health Care Center 1985

CEO – Elite Care Center Eatontown, Inc. 2000

John G. Florendo, DC

Director Elite Care Center West, Nevada - 2004 - Present

Founder Unlimited Wellness Institute - 2004 – Present

Founder Florendo Institute, LLC-2015-Present

Work Experience:

Office generated 100 - 120 patient visits daily 1200 -2000 office visits a month with a team of 12 including 5 associate doctors

Utilized cross referral network of neurologist, orthopedic surgeons, pain management specialist, physical therapy - in office

Expert Witness testimony in over a dozen court cases in New Jersey-

Personal Injury Attorney presenter on spinal injuries in New Jersey-

Presenter for health and wellness at the Seabrook Village Senior Facility in New Jersey

Presenter for Spinal Awareness for the New Jersey Central Power and Light

Lead Presenter for the Non -Profit Spring House Organization for Displaced Families

1 -800 Mattress Eastern U.S. Division Medical Advisor

Medical Advisor and Workers Compensation Presenter for the United States Postal Service Eastern U.S. Distribution Center, Eatontown, N.J.

Medical Advisor and Workers Compensation Presenter for Fortune 500 Company Osteotech, Shrewsbury, New Jersey

Medical Advisor and Team Physician for a National Football Organization

Medical Advisor and Team Physician to 4 World Boxing Champions

Seminars attended:

Extremity Adjusting (Dr. Hearon)

Thompson technique (Dr. Clay Thompson)

Radiology pathology (Dr. Schlamp)

Neuropathophysiology, Histology, Kinesiotherapy, Neuro-Plastic Deformation (Dr. Dan Murphy)

Soft tissue pathology -(Dr. Arthur Croft)

Animal Adjusting and Spinal Care Protocols- (Dr. Richard Plummer)

TMJ dysfunction - (Dr. Melinda Wagner, DMD)

Spine Research Institute of San Diego - (Dr. Arthur Croft)

John G. Florendo, DC

Chiropractic Bio Physics and the Lumbar Spine - (Dr. Deed Harrison)

Traumatic Brain Injury and Advanced Diagnostic Studies— Utilizing 3 -D Brain Imaging MRI and CAT Scan - (Dr. Fredrick Carrick and Dr. Machado)

Spinal Biomechanical Engineering and the Trauma and Diagnosis Of Traumatic Injury - (Dr. Mark Studin)

Obama Care Utilization Review- (Dr Dean Depice)

Sports and Extremity Injury and Treatment Protocol- (Dr. Mitch Omalley)

Cox Flexion Distraction Protocols – (Dr. James Cox)

Bio-cranial Technique with protocols and procedures - (Dr. Boyd)

Neuro-metabolic & Functional Medicine – (Dr. Michael Johnson)\

MLS Laser Protocols and procedures –(Todd Christiansen)

ICD 10 Coding and Procedures- (Dr. David Singer)

Seminars presented:

Cervical -Acceleration/Deceleration Injury -NJ Attorney Group

TMJ Biomechanics -causes of injury and correction

Spinal biomechanics and postural correction

Disc herniation vs bulging and care of this type of injury -indications and contraindications of treatment

Health Education Awareness Lessons Weekly

Chinese Herbs and Health

Chinese Tongue and Finger Nail Analysis

Keys to Healthy and Vital Living Presenter- Atlantic City Wellness Fair

A Practical Guide to the Benefits of Scalar Energy – Malaysia International Health Conference

Biochemistry of the Human Body

Neurotransmitter and Hormone Production

Thyroid and Metabolic conditioning and effects on health

Proper Lifting and Bending Biomechanics

John G. Florendo, DC

Research of Scalar Energy on cellular reproduction and repair – Subic Bay, P.I.

Post Graduate Education, Certifications and Diplomas:

Diplomat National Board of Chiropractic Examiners 1984

Thompson Technique and Protocols (Dr. Clay Thompson) 1984

Radiology Pathology Review (Dr. Schlamp) 1984

Sports Extremity Adjusting (Dr. Hearon) -1985

Certified by the State of New Jersey Medical Board for Chiropractic 1987

Board Qualified Certified Chiropractic Sports Physician (Logan College) 1988 -90

Certified by State of New Jersey Back School Instructor -1989

Neuro Pathophysiology Dysfunction Affiliated with Chiropractic Biophysics Systems - (Dr. Dan Murphy) -1991

Certified Hospital Procedures and Protocols -1991

Diplomat Certified Chiropractic Sports Physician- Logan College- 1992-1993

Demartini Institute Systems and Method – Fascilitator Demartini Methods (Dr. John Demartini) -1995

Soft tissue pathology (Dr. Arthur Croft) -2001

Temporal Mandibular Joint Dysfunction - (Dr. Melinda Wagner, DMD) -2002

Spine Research Institute of San Diego -Whiplash Certification Course -(Arthur Croft, D.C.) - 2003 -2005

Chi Certified Chinese Tongue and Nail Analysis -2005 -present

Chiropractic Bio Physics -Spinal Bio mechanical Engineering protocols designed by Dr. Don and Deed Harrison -2007 -2011

Carrick Institute for Graduate Studies - Program for Board Certification in Chiropractic Neurology - (Dr. Fredrick Carrick, PhD, D.C. 2014-2015

Applied Spinal Biomechanical Engineering - State University New York at Buffalo Medical School affiliated with University of Bridgeport- Dr. Mark Studin- 2013-2015

Applied Spinal Biomechanical Engineering Principles and Applications - Integrating spinal biomechanics and patho-biomechanics through diagnostic imaging analysis. The comparison of organized versus disorganized compensation with regional and global compensation. Advanced analysis integration of pathobiomechanics as sequella to trauma in clinical practice and documentation. PACE Recognized by the Federation Licensure Boards- 2013-2015

John G. Florendo, DC

Completing MRI Spine Certification, 300 hours of MRI Interpretation. The subject matter includes, but is not limited to: MRI physics, protocols, nomenclature, pathology, analyzing pre-existing issues and the latest MRI technology for spine imaging. MRI, Disc Overview, Imaging Protocols and Imaging Necessity, T1, T2, STIR Axial, Stacking, FFE, FSE and Sagittal images, and clinical indications for the utilization of MRI in pathologies of the disc in both trauma and non-trauma sequella including bulge, herniation, protrusion, extrusion and sequestration. Certified by: ACCME Joint Sponsorship with the

State University of New York at Buffalo, School of Medicine and Biomedical Sciences, Buffalo NY, Academy of Chiropractic Post Doctoral Division, Federation of Chiropractic Licensure Boards for 23 states and provinces, New York State Department of Education, Board for Chiropractic –2013 -2015

The MRI Spine Certification will be accomplished in a hospital, imaging center and private settings rendering an education that encompasses a cross section of traumatically induced chronic and systemic pathologies. Mentored and taught by Robert Peyster, M.D., Neuro Radiologist, Professor of Radiology and Neurology, Chief Division of Neuroradiology, State University of New York at Stony Brook, School of Medicine, Stony Brook, N.Y. –2015

MRI Spine interpretation and Spinal Biomechanical Engineering-Primary Spine Care Certification, Correlating spinal biomechanics secondary to trauma and MRI findings inclusive of herniation, bulging, protruded and extruded discs. Correlating co-efficient of forces translated from the bullet vehicle to the target vehicle to the occupant in determining causality of bodily injury, Academy of Chiropractic, Pace approved for the Federation of Chiropractic Licensing boards, Texas Chiropractic College, Las Vegas, N.V. 2015-Present

Evidenced Based Interprofessional Collaboration- Primary Spine Care, Chiropractic as Primary spine care based upon the literature conclusions and the documentation requirements to support those conclusions in an ethical collaborative environment inclusive of hospitals, emergency rooms, primary care medical doctors and medical specialist, Academy of Chiropractic, PACE approved for the Federation of Chiropractic Licensing boards, Texas Chiropractic College, Las Vegas, NV, 2015

Contemporary Literature Review of the Chiropractic Adjusting Mechanisms- Primary Spine Care, The latest scientific evidence of the effects of the chiropractic spinal adjustment on the central nervous system, both upper and lower motor neurons. A comparative analysis of chiropractic vs. other modalities and therapies, Academy of Chiropractic, PACE approved for the Federation of Chiropractic Licensing boards, Texas Chiropractic College, Las Vegas, NV, 2015

Sports related injuries and joint biomechanics as related to kinesiopathology, as well as determining the overall injury and correlating specific muscle groups, ligaments as well as osseous malformation and the necessity for kinesiotaping, splinting or soft casting an injury. In addition the evaluation of the TMJ (temporomandibular joint) and protocols for joint stabilization along with necessary modalities, as well as the mechanistic connection to trauma, whiplash, boxing injury as well as fall injury that could cause disc-cartilage damage to the joint. Pace approved for the Federation of Chiropractic Licensing boards, Parker College, Las Vegas, NV, 2016

Licenses:

New Jersey, Nevada, New York

John G. Florendo, DC

Author of Books:

"Keys to Vital Health" - Unlocking The Top 10 Secrets To Living A Purposeful Life With Amazing Energy For Longevity

"A Practical Guide to the Benefits of Scalar Energy"

"How To Have a Hell of a Body and Still Get To Heaven "

Co -Author - " The Book for Big and Little Geniuses" Capturing the magical moments in life at any age"

My Mission:

To present international personal education programs that provide you with inspiring ideas and practical tools that will awaken health potential, thereby creating a lifetime of wellness.

Design profitable, efficient and effective systems for successful relationships within the professional office and to be the guiding light for others on their health and life journey. I bring an inspiring work experience of caring for and educating a large number of people on a daily basis for over 30 years. My practice management tools have been developed over time and proven to be highly successful. I have a passion to provide excellent service and an extraordinary experience, while guiding individuals and families to reach their full potential in life and health through chiropractic based neurology.

Dr. John G. Florendo is Clinical Director and Founder of the ***Unlimited Wellness Institute for Injuries and Illnesses*** in Las Vegas, Nevada. He lives with his lovely wife Debbie, their two beautiful daughters, Sydney and Athena and the families 4 dogs!
